Dear Dr. Hasim:

On behalf of the University of Alabama at Birmingham Department of Medicine, I write to express our deep appreciation for the gift of \$1,000 designated for the Fifth Annual Vascular Biology and Hypertension Research Symposium. Your continued support is very important in advancing our knowledge of cardiovascular disease.

Contributions such as these make it possible for UAB to achieve many goals which would otherwise be unattainable for us. Again, we thank you for your continued interest and support.

Sincerely,

A handwritten signature in cursive script that reads "Claude Bennett".
